

La Grande Motte 2023: 5 novelty catamarans (11 to 16 m)

April 14, 2023 ■ No Comments

The *Salon International du Multicoque*, the world's most famous multihull show, is being held **these days, April 12-16, in La Grande-Motte**, in southern France near Montpellier. Due to their qualities of stability, comfort in sailing, and large spaces, catamarans are now no longer primarily aimed at the charter market but are also "converting" an increasing number of private owners. **Let's take a look together at what's new and some "out of the box" models on display at the show.**
