

PRESS RELEASE

13th INTERNATIONAL MULTIHULL SHOW – 20th to 24th April 2022

2022 edition: what a show!

New products to please everyone

We can put the 11th and 12th editions behind us, simply because it was not possible to hold them in 2020 and 2021. Let's look forward instead to the **13th International Multihull Show**, which will take place from 20th to 24th April in the harbour area in La GRANDE MOTTE (Hérault) France.

The excitement is building and all the enthusiasts cannot wait to meet up again down on the pontoons to chat, get together, discuss and above all to feel amazed by the exceptional offer available from all the builders.

Add to that the extra 100 yards of pontoons that are being set up for the event, which is an incredible feat. This will be in the heart of the harbour in La Grande Motte to enable us to offer the best presentation possible of the boats and to allow visitors to feel completely at ease.

This year, more than ever, La Grande Motte has clearly positioned itself as the global capital for multihulls. With the number of boats on display, the variety of brands and the full range on offer from the yards, this position has been strengthened and means we can look forward to an impressive and successful thirteenth edition. The aim of reaching the target of 60 multihulls will be beaten; with sails or engines, yards have continued to develop their range to satisfy the requirements of a multihull market that remains insatiable.

The world or European premieres for the line-up in 2022 confirm that this is definitely a good year. Just to give you a few of the names (see the full list on the website <https://www.multicoque-online.com/fr/le-salon/plan-liste/>):

- Balance, Balance 482 – EUROPEAN PREMIERE
- Bali Catamarans, Bali 4.4 – WORLD PREMIERE
- Catana Catamarans, Catana Ocean Class – WORLD PREMIERE
- C-Catamarans, C CAT 48 – WORLD PREMIERE
- Dragonfly by HelloMulti, Dragonfly 40 Ultimate – FRENCH PREMIERE
- Lagoon, Lagoon 51 – WORLD PREMIERE

INTERNATIONAL MULTIHULL SHOW

- Libertist Yacht, Libertist 853 – WORLD PREMIERE
- Marsaudon Composites, ORC 57 – WORLD PREMIERE
- Nautitech, 44 Open – EUROPEAN PREMIERE
- Slyder Catamarans, Slyder 49 – WORLD PREMIERE
- Squall Marine International, CK67 – WORLD PREMIERE
- Windelo Catamaran, Windelo 54 Yachting – WORLD PREMIERE
- Leopard, Leopard 46PC – EUROPEAN PREMIERE

The sector is also clearly thriving. All of the equipment sellers and multihull specialists will be together in a village that is even bigger, more friendly and better organised. Deck hardware, electronics, sailmakers, insurance, finance, transport, services, etc.

Everything required by multihulls and needed to get the most out of the boats, will be on show.

The ARCHITECT/INNOVATION/DESIGN area, which can only be found here and which the organisers are particularly proud of, will be displaying a huge number of new products and innovations. This will be a place you simply have to visit in the Show area, if

you are looking for ideas for new projects, trips and dreams.

Press conferences, naming ceremonies and special evening events add to what is on offer to make this Show come alive and contribute to the success of the latest edition of the event entirely dedicated to **Multihulls**. We look forward to seeing you from 20th to 24th April.
